ABOUT ME

Customer-focused professional with 4+ years of experience supporting clients and customers in fast-paced environments, including remote client support. Experienced with WordPress website management, client troubleshooting, Jira, CRM platforms, and client communication. Familiar with HTML, CSS, JavaScript, Python, and WooCommerce, with a strong interest in technology and software. Skilled at translating technical issues into clear solutions, managing multiple requests, resolving problems, and creating positive customer experiences. Currently pursuing a Bachelor's degree and technical courses while building toward a long-term career in software federally.

WORK EXPERIENCE

GRAYRABBIT SOFTWARE

FEB 2026 - PRESENT

Front-End Creative Director | Customer Support | Remote

- Serve as a primary point of contact for remote clients, providing support through email, phone, and virtual meetings.
- Troubleshoot WordPress websites and identify client-reported issues, requirements, and potential solutions.
- Use Jira and CRM platforms to track client requests, maintain tickets, document interactions, and manage project pipelines.
- Translate client needs into clear technical and project requirements for successful website solutions.
- Manage multiple client accounts simultaneously while prioritizing requests, meeting deadlines, and providing proactive status updates.
- Build and manage WordPress websites using foundational HTML and CSS skills while supporting clients throughout the website development process.
- Collaborate with clients to resolve problems and improve website functionality and overall user experience.

OAKWOOD MANAGEMENT

FEB 2025 - FEB 2026

Leasing Agent | Columbus, OH

- Managed a high volume of customer inquiries and provided timely assistance with questions, requests, concerns, and service issues.
- Used Yardi CRM to maintain customer records, document interactions, track follow-ups, and manage prospect and tenant information.
- Resolved customer complaints and concerns using active listening, problem-solving, and de-escalation techniques.
- Coordinated with multiple departments to resolve customer issues and ensure concerns were addressed efficiently.
- Conducted background, credit, and employment verification while following established procedures for handling sensitive customer information.
- Managed move-in and move-out processes while maintaining accurate documentation and providing consistent customer communication.

WORK EXPERIENCE

CIMI'S BISTRO AT PINNACLE

AUG 2024 - FEB 2026

Waitress | Grove City, OH

- Delivered high-volume customer service in a fast-paced environment while maintaining professionalism and attention to customer needs.
- Resolved customer complaints and service issues promptly while working to maintain a positive customer experience.
- Processed cash and digital point-of-sale transactions accurately while following established financial procedures.
- Communicated with team members across departments to accommodate customer requests and resolve service delays.

PRN MEDICAL STAFFING

MAR 2024 - JULY 2024

Home Health Aide | Lancaster, OH

- Provided empathetic, high-touch care and active listening to patients and families during challenging and sensitive situations.
- Documented detailed patient observations, behavioral updates, and care logs accurately in medical records to ensure seamless team coordination and compliance.
- Utilized strong problem-solving and de-escalation skills to navigate high-stress moments with patience, care, and professionalism.
- Managed strict daily schedules, medication tracking, and customized care plans while adapting quickly to shifting patient needs.

THE LODGE IN HIDE-A-WAY HILLS

JULY 2022 - MAR 2024
